VilniusPHP 0x86

HOSTED BY Ovoko

What's new?

- Event frequency - 1 event per quarter
- Event content
    - 2-3 speakers per event
    - At least 1 topic for beginners
- Organizators addition
    - Jevgenij Liachovič - event content representative
    - Greta Šimonėlytė (Ovoko) - social media
    - Darius & Karolis & Viktorija & Greta (Ovoko) - hosting, hospitality
- Hosting - Žirmunų g. 70-701 (Ovoko HQ)

What's remains

- VilniusPHP is PHP community event
- We speak not only PHP, but mostly about backend
- Speakers can present in Lithuanian and/or English languages
- Most of events are planned to be live, no online translation or video recordings for few upcoming events
